### Thought for the week

'Death is not extinguishing the light: it is only putting out the lamp because the dawn has come'. *Rabindranath Tagore*

## Thank you...

To our Church Treasurers – Ally Warder at St Thomas' and Liz Buck at St Luke's, who do the vital job of keeping our finances in order and advising on our money situation. Through their work they help us plan for our mission and ministry and be good stewards of our resources. Thanks too to those who count money weekly and take it to the bank!

### Val May RIP

It is with sadness we share the news that our friend Val May died this week. Val moved to live near friends in Weald, Kent and her health deteriorated recently. We will include details of her funeral, to be held at St Luke's, once they are known. May she rest in peace and rise in glory.

## **St Richard's Prayer Group**

Over the coming months and years, we need to make important decisions about St Richard's Church Centre, part of St Luke's parish in Swallowfield Road. We have committed to developing it as a centre for mission, of service to its community and where a new congregation can emerge. There will be many steps on the way, but all those steps need to be guided by God's Spirit.

So, starting in the new year, St Richard's Chapel will be open on the second and fourth Sunday of the month between 5pm and 5.45pm for prayer. How we use the time can vary, but the purpose of that time will be to listen to God, so the vision and plans that emerge for St Richard's will serve the community lovingly, make new disciples and proclaim the Good News.

Anyone and everyone is welcome to come to the prayer group. The first 2 meetings will be: Sunday January 13<sup>th</sup> & 27<sup>th</sup> 5.00 - 5.45pm  
The Chapel entrance is in Sundorne Road.

## **Walk Through the Bible – Old Testament Seminar:**

## **Caring for, Growing and Developing our churches and their mission**

Each of our churches has its own Church Council, made up of lay members of the church and clergy and chaired by the Rector. Each council is responsible for the overall wellbeing (practical as well as spiritual) of their church, the church members, and the church buildings. The PCC also has a duty to promote the mission of the church within the wider community. The minutes of our meetings are displayed in each church, but from next week, the bulletin will keep you up to date with decisions made and discussions had.

## **Mission Action Plan Update**

Our benefice Mission Action Plan was launched in September and we are making good progress with the first stages of our plans. Each week in the bulletin there will be an update on one aspect of our MAP so we can all keep up to date with what is going on.

This week, we start with a reminder of the '5 Marks of Mission' that the Church of England takes as its guide in working out its mission in the particular place God has given it to love.

1. **TELL:** proclaim the Good News of the Kingdom
2. **TEACH:** Teach, baptize and nurture new believers
3. **TEND:** respond to human need by loving service
4. **TRANSFORM:** seek to transform unjust structures of society, challenge violence and pursue peace and reconciliation
5. **TREASURE:** strive to safeguard the integrity of creation and sustain and renew the life of the earth
