### Thought for the week

God made humans in his own image, and humans returned the favour. *Frank Wedekind*

## News and notices

### Thank you...

... to the whole Christmas Journey Team, from both our churches. What a wonderful example of 2 congregations and members from other Deanery churches working together to tell the story of Jesus to so many children in such an engaging way. We need to be HUGELY grateful to Liz Buck for the enormous effort she has made to make it all happen.

## Follow the Star this Advent & Christmas

*We have a full diary of services as we share the love of Jesus this Christmas with the community around Charlton. The Carol services in our local care homes or sheltered housing are listed as invitation only. Do ask if you too would like to join in. And please help us to publicise services to our local community by delivering postcards.*

### Christmas Sing-along

Tonight is the popular Community Christmas Sing-along, 5.00pm at St Thomas' church. We'll be singing carols and Christmas songs as well as enjoying mulled wine, mince pies and a craft sale. Call 07989 740252 for more information.

### Christmas Postcards / Publicity

*Michael Hurley writes:* Why is this mission important? Because although we might assume that everyone knows about Christmas and can see that there is a church building standing here, we must never underestimate the power of a personal invitation. Our church is not a secret society but a community of believers who have received good news to be shared with the whole world. As Christ taught us, we are "the light of the world. A city set on a hill cannot be hidden. Nor do people light a lamp and put it under a basket, but on a stand, and it gives light to all in the house. In the same way, let your light shine before others, so that they may see your good works and give glory to your Father who is in heaven."

### **Urgent call for volunteers**

We have printed 5,000 colourful postcards with information about our Christmas services and an invitation to residents of the parishes to join us in welcoming the Christ child. These need to be carried on foot, door to door, and dropped through the letter boxes of houses in the surrounding neighbourhood before December 18th.

### **St Luke's Delivery**

At the back of the church today you will find stacks of these postcards separated into bundles of 50 and 20 and someone ready to add your name to a sign-up sheet with a list of streets in the parish where the cards must be delivered. We are urging everyone who is able to help to sign up to deliver these postcards. It's important that volunteers not only take cards home today but also sign the sign-up sheet, indicating the streets they will be covering, so that we don't duplicate our efforts. There is no need to knock on doors when delivering these cards. You simply drop the material through the letterbox and move along to the next house.

We are asking that people start delivering these cards in the coming week so as to get the word out as early as possible. However, at **7:30am next Saturday morning, December 14<sup>th</sup>**, we are inviting all who are able to meet at St Luke's for a breakfast of American pancakes with maple syrup and sausages, coffee and tea, after which we will fan out on foot in groups of two to deliver the remaining postcards to any homes not yet covered. We hope all of you can aid this vital work as part of your Advent preparation.

### **St Thomas' delivery**

Also at St Thomas' you will find the cards in bundles of 20's and 50's and the sign-up sheet.

Please take some, sign the sheet to let us know which streets you're covering and invite our neighbours to worship the light that shines in the darkness.

The Parish Safeguarding Officers and Rector would be very happy to answer any questions you may have.*

## Prayer Zone

*Enable us Lord, to spot the signs of your kingdom, your activity, your presence and your call - in the world, the church, in one another and in ourselves.*

*Make us to know that we are your family, and teach us the family language of love, that we may become fluent. Amen.*

*Help us, Lord, to be with you in all that you seek to do in and for the world; make us to be bearers of kingdom fruit, that your love, your peace, your kindness, your grace, may be seen in us and through us, and that we may see you in those to whom you send us. Amen.*
